

Notice of Project: 854665 Construction

Submitted: Thursday, June 25, 2020 at 11:41 a.m. Pacific Time

Except as permitted by OHS regulation 20.2(4), WorkSafeBC must be provided at least 24 hour written notice prior to the start of the work activity. Work on this project, including set up activities, may begin on June 26, 2020, 11:41 a.m. Pacific Time, or on the start date indicated on the Notice of Project — whichever is later.

OHS regulation 20.2(3) requires that a copy of the Notice of Project is posted at the worksite for the duration of the project.

Limitations

Neither the issuance of a Notice of Project number, nor the absence of follow-up action by WorkSafeBC indicates acceptance or approval of the information provided. If you have any safety concerns regarding this project, contact the person in charge of this project or WorkSafeBC prevention information line at 604.276.3100 or 1.888.621.7233.

Significant changes

If the information on the Notice of Project significantly changes, the new information must be submitted to WorkSafeBC as soon as possible and posted at the worksite.

To update the information, provide WorkSafeBC with the Notice of Project number, the worksite address, and a summary of the changes you want to make by either:

Email: prevnop@worksafebc.com**Fax:** 604.276.3247
